

SURPRISE IN CHESS TOURNEY

YALE DEFEATS HARVARD BY 3 GAMES TO 1.

Columbia Maintains Winning Form and by Beating Princeton Leads in the Contest Close Fight for Second Place Princeton Team Outclassed.

Completely surprising the talent in the second round of the nineteenth annual intercollegiate chess tournament contested at the West Side Republican Club in this city yesterday, Yale's representatives overcame those of Harvard to the tune of 3 games to 1 and thereby avenged the defeat sustained in the annual match on the big football field.

Incidentally the sons of Old Eli were of material assistance to Columbia, even though the Blue and White were not really in need of aid. The New Yorkers, helped by the fact that there were no strong players on the Harvard team, easily won the first board, experienced no difficulty in pulling off Princeton by the score of 3 to 1, precisely the same totals by which they defeated Yale on the opening day.

CINCINNATI CLUB MAY NOT SIGN EDDIE GRANT

Former Quaker Third Baseman, Now a Lawyer, Offers to Play for Cincinnati Club.

Garry Herrmann, owner of the Cincinnati club, appears to be worrying over the reported willingness of Third Baseman Eddie Grant to play with the Reds next season. Grant's case is a peculiar one and is interesting to the baseball world not a little.

The young man was traded, together with McQuillen, Moran and Bates, to Cincinnati by the Philadelphia Athletics in exchange for Paskert, Beebe, Rowan and Lobert. He was not consulted in the matter and the deal was a big surprise to him.

He drew a good salary in Philadelphia last season and as soon as the deal was made he received a letter from the Cincinnati club that he could have a Cincinnati contract for 1911 calling for a substantial increase in salary.

Grant is a graduate of the Harvard law school and has admitted to the bar in Massachusetts. He is a member of the law firm in Boston when last season closed and announced to his friends that he would not rejoin the Philadelphia until some time in May or June.

He had no idea that he would be traded to the Cincinnati club. He had been in Philadelphia for some time and had been in the city for some time.

OLDFIELD OFF FOR A YEAR.

Barney Oldfield, Suspended Indefinitely on October 1 by the Contest Board of the A. A. A., Has Been Adjudged Ineligible to Compete in Sanctioned Events before January 1, 1912.

Barney Oldfield, suspended indefinitely on October 1 by the contest board of the A. A. A., has been adjudged ineligible to compete in sanctioned events before January 1, 1912.

In other words a term has been set to the hitherto indefinite suspension and for a man who has done as much as he has for the A. A. A. to show his defiance for that body Oldfield has been let off lightly.

He draws a fifteen months disqualification for his pains. A registered driver, George H. Clark, who competed under an assumed name in a meet run by Oldfield at Asot Park is ruled off until January 1, 1912.

The Oldfield case and many other matters were taken up at a meeting of the contest board on December 20 and according to custom the minutes of the meeting were read yesterday.

Robert D. Hooper, president of the A. A. A., T. A. Wright, Joseph H. Clark, David Beecher and S. M. Butler, chairman of the contest board and E. R. Hollander and Alfred Reeves of the advisory committee, were present.

As to Oldfield the statement recites that he was ruled off for flagrant violations of the rules at "Readville, Mass." That was when he rode out on the track and made a circuit while under suspension for having committed a flagrant violation of the rules.
